CARTEL CARDS

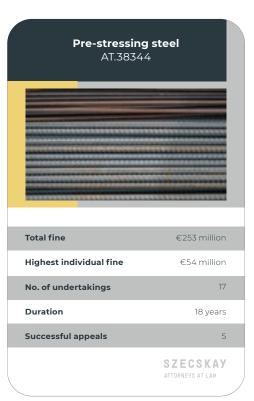

20 YEARS OF EU CARTEL ENFORCEMENT

To mark the 20 years of EU antitrust enforcement under Regulation 1/2003, we have collected 32 of the most iconic EU cartel decisions for you.

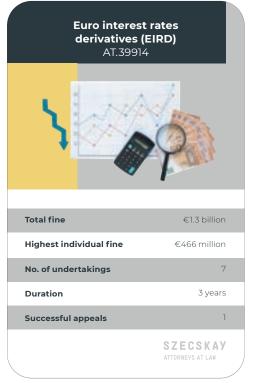

For you to enjoy your own set of cards, simply click 'Print' and choose 'Print on both sides' and 'Flip on short side' in the settings, then cut out the cards.

Have fun playing with colleagues & friends!

Game description: Deal the cards among the players. The goal is to win the opponents' cards. Round by round, players compare the numeric values of a chosen category of the top card of every player's pile. In every round, the player with the highest value wins the cards of the opponents. The game is over when the first player runs out of cards. The player with the most cards wins.

Number of players: 2+

Age: 6-99
